Walk No 227.....**Sutton Park 4.75 Miles**  
**Thursday 1 February 2024**

## Main walk

Again a variant of one of our familiar routes through Sutton Park for our first outing of the year, since it is easy to reach and if necessary the route **can easily be varied** to take account of the conditions underfoot.

This walk can still be rewarding following gently undulating routes through woodland and across open heathland, with fine views, on roads and tracks whilst visiting a number of the park's pools.  
No Stiles      Toilets available at the Visitors Centre nr Windley. en route.

## Amblers

Amblers can also readily access five of the pools by driving into the entrance gates, parking and taking a very short stroll:- Longmoor Pool via Banners Gate entrance

.....Powell's Pool via Boldmere Gate

Wyndley Pool via Wyndley Gate

Blackroot Pool via Hartop Gate

Bracebridge Pool via Four Oaks Gate

Refreshments are available at Blackroot pool

**The Base Point** and parking will be in the Park. Via the Streetly Gate off Thornhill Road B4138, Streetly. Drive in to beyond the trees until emerging at a large open space on the left. Then continue, passing small roadside parking spaces until reaching more extensive parking areas between trees both to the left and right of the road. Park on the left. **Meet for 10.00am Start**

**Directions from Walsall** Follow B4151 Sutton Road continuing ahead on Beacon Road and Foley Road West to the B4151 junction with the B4138 at Streetly Village., Here turn right into Thornhill Road, then immediately left into the Park
